

Page One - Introduction

Welcome to the LlamaCloud Parse demo document.

This first page introduces the structure of the report.

It contains plain prose suitable for the cost_effective tier.

Page Two - Key Findings

Section 2 summarizes the key findings of the analysis.

Revenue grew by 12 percent compared to the previous quarter.

Customer satisfaction scores reached an all-time high.

Page Three - Appendix

This page is intentionally past the requested page range.

If parsing is correctly limited to pages 1 and 2,

the content of this page should not appear in the output.
