

Quarterly Financial Overview

This report summarizes regional revenue performance across the first two quarters of the fiscal year and documents the methodology used to compile it.

Regional Revenue

The table below lists quarterly revenue by region, in thousands of dollars.

Region	Q1 Revenue	Q2 Revenue
North	1200	1500
South	900	1100
East	700	850
West	1300	1600

Methodology

We aggregated figures from regional ledgers and reconciled them against bank statements.

Data Sources

Ledgers were exported monthly from the accounting system and validated by the finance team.
